www.muddybuddys.net

Jeep show is open to all makes and models of Jeep vehicles. First 50 Jeeps to show will receive a FREE dash plaque. This event is open to all Jeepers and the general public! We will once again have our egg challenge!! Trophy's for 1st,2nd and 3rd best times with egg all in one piece in the nest. WHAT IS AN EGG CHALLENGE? While you are showing off your Jeep and looking at others...you can take a lap around the field with a magnet nest on the hood of your Jeep. In that nest is a fresh real egg. Whoever completes the run with the egg still intact and in the nest with the best time will be the egg run champ! Its fun, a challenge and something to add to a cruise in. The RTI Ramp will also be at the event. Club information and some vendors will also be on hand. Come join us!! This is Muddy Buddys first year holding this event at Barn and Bunk. Help us make this a great annual event!
