Crafts & Gifts

There are currently over 40 crafters who have their unique handcrafted items on display at the Barn-n-Bunk. The crafts and gifts come in an array of items such as: candles, wreaths, original artwork, fabric crafts, jewelry, clothing, home décor, furniture, antiques, and much more. During the special yearly festivals, other crafters are welcome to apply for booth spaces to sell their work. If you are interested in more information regarding booth space for the festival events, please contact Bev Theobald at (513) 988-9211 or via email at: barnbunkmain@gmail.com
