

**Tour Options:**

**1. Stop & Shop**---Spend time shopping our 3 turn-of-the-century barns. We offer unique gift items including specialty foods, Amish meats and cheese, jams, jellies, candies, etc. Crafters offer a wide selection of florals, woods, fabrics, prints, furniture, candles, antiques, and much, much more!

**2. Ice Cream Shop**---Visit our Ice Cream, Candy & Deli Barn. Choose from our 16 flavors of Hershey's Ice Cream. One or two Dip Cones, Floats, Shakes, Sundaes

**3. Grist Mill**---Help grind, sift, and bag your own cornmeal. Our rustic grist mill runs on a single cylinder hit-miss engine, originally used for a moonshine operation in Kentucky in the late 1800's. Bag of cornmeal, paring knife, recipes included.

Available April through September

Time: Approximately 30 to 45 minutes

**4. Broom Shop**---Tour our broom shop, complete with all original equipment from the 1800's. Tom will explain the process and show you brooms commonly made with this equipment.

Time: Approximately 15 to 20 minutes

**5. October Tours**--- Includes a hayride. Tour guests will be treated to fresh apple cider and pumpkin cookies. Available Monday through Friday, month of October.

Cancellation notice must be received at least 4 weeks in advance.

Time: Approximately 1 hour

**Note: Fall Festivals** are planned each weekend, last September weekend through October. Featuring hayrides, mazes, entertainment, games, pumpkins, food, crafts.

Hours: Saturday, 12-5; Sunday, 12-5.

**6. Make & Take Centerpiece**---Our Christmas centerpiece is made with fresh pine and includes a candle. Available Late November through December

Time: Approximately 45 minutes

Note: Make & Take Tours can be scheduled earlier in the year. Materials used would depend upon the season.

**Also Note:**

**Call about adding a Catered Lunch to your Tour Package**

**Tour group meals are served in our 1893 Barn, complete with restrooms, heat and AC**
